

## Ultra-Enzyme Plus Probiotics™ Supports:

- Good Digestion
- Normal Weight Management
- Normal Bowel Movement
- Strong Immune System
- Shiny, Healthy Coat
- Control of Excess Gas
- Healthy Skin
- Healthy Energy Levels
- Delivery of Nutrients

**Ultra-Enzyme Plus Pro-Biotics™ for pets** is a powerful combination of both digestive enzymes as well as systemic enzymes, plus pro-biotics, and pre-biotics in a remarkably tasty chewable tablet. **Ultra-Enzyme Plus Pro-Biotics™ for pets** not only combats digestive problems, but adds beneficial bacteria for enhanced digestive balance and a stronger immune system. **Ultra-Enzyme Plus Pro-Biotics™ for pets** is the recommended solution to pet digestive problems such as: loose stools, poor skin and coat condition, sensitive stomach, hairballs, low energy, and even bad breath. To achieve Total Digestive Health, improve their digestion and nutrient absorption use Ultra-Enzyme Plus Probiotics™ at every meal - whether you feed raw, dry or table foods. **Ultra-Enzyme Plus Pro-Biotics™ for pets** is formulated with 14 high-performance vegetarian enzymes and 11 different pro-biotics species, and pre-biotics for complete digestive health. Each tablet supplies over 250 million CFUs of live beneficial bacteria!

Ultra-Enzyme Plus Probiotics contains **L.E.A.D.S.®** (Live Enzyme Activated Delivery System®). L.E.A.D.S.®, first used in human nutrition, insures complete digestion and nutrient delivery of your pet's diet at the cellular level. No other animal supplement or nutrition product can offer this unique advantage to your pet.

# Ultra-Enzyme plus Pro-Biotics™

## Digestive enzymes and pro-biotics for pets

An **all-natural** treat-form tablet combining 14 vegetarian enzymes and 11 species of friendly bacteria for optimal health.

**90**  
tablets

## Suggested Use:

One tablet of Ultra-Enzyme Plus Pro-Biotics™ will treat 1/2 cup of any pet food and can be given before or after the meal as a treat. Tablets may be easily broken in half to treat a 1/4 cup of food per feeding.
